

Clifton Gorge
Music
& Arts Festival

Planning for the 2017 Clifton Gorge Music and Art Festival is underway and we are seeking advertiser's support for the official festival information booklet. About two thousand booklets were printed and distributed through area businesses last year and each booklet was estimated to have between two and four unique impressions. In other words, your ad was potentially viewed from between four and eight thousand times by local consumers. Even wider distribution is expected this year, so please consider advertising again with us at last year's rates. Enclosed is a spec sheet with technical information for submissions. We also have all ad material on file from 2016 and can easily duplicate your advertisement if no changes need to be made.

This year's Festival will be held August 25 and 26. There will be artisans and retail vendors, musical entertainment, a wide variety of foods, and a Beer Tent. We invite you to join the festivities.

Because of the hard work of our committee members and support from sponsors and advertisers, the Festival was a great success last year and will be even bigger and better this year. We look forward to your continued support!

Thank you!
