Clifton Gorge State Nature Preserve

This 268-acre preserve protects one of the most spectacular dolomite and limestone gorges in the state. Registered as a National Natural Landmark in 1968, Clifton Gorge encompasses a 2-mile stretch of the Little Miami State and National Scenic River, just east of John Bryan State Park.

Geologically, it is an outstanding example of interglacial and post-glacial canyon cutting. At one point, the river funnels through a deep, narrow channel, which was apparently formed by the enlarging

and connecting of a series of potholes in the resistant Silurian dolomite bedrock. In other sections of the gorge, cliff overhangs have broken off forming massive slump blocks scattered along the valley floor.

The shaded, north-facing slopes provide a cool, moist environment for northern species including hemlock, red baneberry, Canada yew, arbor-vitae and mountain maple. This is one of the most spectacular sites in the state for viewing spring wildflowers including the rare snow trillium.

Clifton Preservation Society

The Village of Clifton is going to re-organize the “Clifton Preservation Society”. We will soon be making calls and getting in touch with citizens who have an interest and dedication to the maintenance and preservation of the beautiful historic buildings and grounds in our village.

Through the years the village has had a very active Historical Society and, when that was disbanded, a Preservation Society was formed which also disbanded.

The Clifton Preservation Society will be formed for the sole purpose of engaging in charitable activities as a 501c3 non-profit organization

as specified by the Internal Revenue Code in accordance with the Ohio Revised Code.

Our purpose will be to collect, organize, publish, and preserve any historic data or facts related to the Village of Clifton, in Greene and Clark Counties, Ohio, including historic homes, buildings and sites. In addition, our aim is to preserve sketches and biographies of men, women, and families who walked before us, and to encourage an interest in the deep history of the Village and the part it played in the development of the Ohio Territory through the generations.

The initial plans are to re-establish

the certificate with the State of Ohio, encourage membership, elect officers from among the members, and open a bank account for the “to be determined” membership dues. We will establish a mission statement, a set of bylaws and articles of incorporation under which we will operate.

The Village is responsible for many of the beautiful historic buildings that we maintain and care for. The value of establishing a Preservation Society is to be able to apply for grants for assistance, accept donations for the preservation, and offer the many visitors that come to

our area a look at the deep and rich history that we are privileged to be a part of. It will be a wonderful way to give back to and be stewards of the community we call home.

We are all so very busy in the world today, but our hopes are that we will have many people in the area who will be willing to donate some of their time to make this a wonderful and successful organization.

If you are interested in getting involved, you may contact any of the Clifton Village Council Members, or Paula Lazorski at 937-974-3511, or the Village voicemail at 937-342-2175.

The Clifton Opera House

5 Clay Street, Clifton OH

Clifton Opera house is a beautifully preserved concert hall that was built in 1893. Originally known as the town hall, it has been a venue for minstrel shows, medicine shows, school plays, church activities, style shows, dinners, dances, weddings, meetings, all variety of concerts, theatrical productions, and even basketball games. The tower was taken down in the 1920s and the building was not used for many years. Then, in 1978, part of the north wall fell in. Howard Printz, then

President of the Clifton Historical Society, began raising funds to save the historic building. Thanks to his dedicated work and the generosity of the donors who cared so much for the Opera House, it is restored and continues to be a valuable part of the Clifton community. The Opera House is owned by the Village and run with the help of volunteers.

See our upcoming shows listed in the summer/fall event schedule (pp. 32-33). The Opera House can also be rented for private events. For more information, call (937) 342-2175.
