

Clifton Gorge  
Music  
& Arts Festival

Planning for the 2024 Clifton Gorge Music and Art Festival is underway. We are seeking advertiser's support for the official festival information booklet. Over twelve hundred booklets were printed and distributed through area businesses last festival and each booklet was estimated to have between two and four unique impressions. In other words, your ad was potentially viewed from between two and four thousand times by local consumers. Enclosed is a spec sheet with technical information for submissions. We also have all ad material on file from 2023 and can easily duplicate your advertisement if no changes need to be made.

This year's Festival will be held August 23 and 24. We plan to have artisans and retail vendors, musical entertainment, a wide variety of foods, and a Beer Tent. We invite you to join the festivities.

Because of the hard work of our committee members and support from sponsors and advertisers, the Festival was a great success last year and can be even bigger and better this year. We look forward to your continued support!

Thank you!
